# 2017 Incentive Program for SmartBox®

**Purchase SmartBox Equipment from Precision Planting and Use AMVAC product incentives to help offset the cost of your new system.**

**Choose the corn hybrids that best fit your needs: Conventional or Traits.**

**Rebates on qualifying purchases of AMVAC insecticides and IMPACT herbicide will help offset the cost of SmartBox equipment\* purchased from Precision Planting.**

Rebates can be earned and will be paid annually for eligible products purchased for use in 2017, 2018 and 2019.

\*Maximum annual product rebate associated with purchase of SmartBox equipment from Precision Planting cannot exceed maximum rebate limit allowed for purchases of equal row-unit size SmartBox system from AMVAC.

## Here's How it Works:

Before May 1, 2017, purchase new SmartBox equipment from Precision Planting. Rebates from AMVAC are based on published cash price of an AMVAC SmartBox System, NOT the total purchase price paid for Precision Planting SmartBox equipment. Include a copy of your Precision Planting SmartBox equipment invoice when submitting AMVAC product invoices to request product incentive payments.

Earn incentives on qualified purchases of AMVAC products in 2017, 2018, and 2019. Maximum rebate that can be earned in a single year cannot exceed 1/3 of the published cash price of an equal-sized (same # of rows) complete SmartBox system purchased from AMVAC. Equipment purchases must be made between 8/1/16 to 4/30/17.

Products for use in the 2017 planting season **must be purchased** between **9/1/2016** and **6/30/2017**. Product invoices must be submitted to AMVAC by July 31, 2017.
