Purchase SmartBox Equipment from Precision Planting for the 2018 season – Use AMVAC® product incentives to help offset the cost of your new system.

Choose the corn hybrids that best fit your needs:
Conventional or Traits.

Earn 1/3 of total price paid for SmartBox® per year with qualified product purchases:
Greatly reduce or even cover the entire cost of your new SmartBox system with products from AMVAC

Here's How it Works:

Before May 1, 2018, purchase new SmartBox® equipment from Precision Planting. Rebates from AMVAC are based on published cash price of an AMVAC SmartBox System, NOT the total purchase price paid for Precision Planting SmartBox equipment. Include a copy of your Precision Planting SmartBox equipment invoice when submitting AMVAC product invoices to request product incentive payments. **SmartBox purchase must be made between 8/1/17 to 4/30/18.**

- Earn incentives on qualified purchases of AMVAC products for a cash rebate of up to 1/3 of total paid on new SmartBox equipment for 2018 season per year for 3 years 2018–2019–2020

Qualified product purchases:

Products for use in the 2018 planting season must be purchased between 9/1/2017 to 6/30/2018. Product invoices must be submitted to AMVAC by July 31, 2018.

Maximum annual product rebate for purchase of SmartBox equipment from Precision Planting cannot exceed maximum rebate limit allowed for purchases of equal row-unit size SmartBox system from AMVAC.
